OBJECTIVE

I am interested to begin a research in Labour Law, particularly on the intersection between culture and law as it affects employee's duties in the work place in my PhD research. I have gathered both practical experience through years of administrative work and research skills as an academic to be able to carry out a doctoral research in labour law. After my PhD, I intend to continue my research on decent work and employees right. My ultimate goal is to become a faculty member at a leading University while contributing to the larger society through my research findings.
