### **Summary of Profile:**

I hold a Master's Degree in economics and bachelor's degree from crescent university, Abeokuta. Both degrees have awarded me professional mastery if Economics. I am proficient in public speaking and sharing knowledge with varying audiences. I have demonstrated this through research papers presented in the course of my degrees.

I have also been able to acquire professional qualification in project management which has afforded me the opportunity on effectively managing human resources, developing and

organization skills. I am inclined to active involvement in all aspects of academic designs of appropriate teaching and assessment methodologies, development of individual teaching materials as well as motivating students to attain their full academic potentials.
