iv.	Higher National Diploma in Architectural	1991
v.	National Youth Service Corps	1992
vi.	Patent Certificate	2018

4. PROFESIONAL QUALIFICATIONS

WORKING EXPERIENCE

a. Academic Experience

Teaching Experience 12 years

i. Course taught: Technical Drawing ARC 101

Descriptive Geometric ARC 104

Wood Workshop practice BLD 106

Architectural Graphics and Modeling ARC 111

Basic Principle Architectural Design ARC 102

Entrepreneurship EED 126

Entrepreneurship EED 216

ii. Research Interest

Climate Change to dynamic-global sustainability

Renewable Energy, 17 sustainable Development

Goals, COP 21 Agreement of United Nations

Solid waste Management by using online platform ending Gas Flarin.

iii. Academic Leadership positions

ND I Course Adviser

b. Administrative Experience:

- i. Zero waste and Agricultural Committee
- ii. Time Table Committee
- iii. Involving in the research and Development programme.

Service outside the Federal Polytechnic Ilaro,

- i. Collaboration with the National Office for Technology Acquisition and promotion (NOTAP) for processing the patent certificate.
- ii. Collaboration with technology incubating center, lagos, for development of fast-track e-waste Disposal Device System.

ACADEMIC PUBLICATIONS:

Major research of fast-track e-waste Disposal Device System, it will enable everyone to dispose their waste without consisting any environmental pollution and for people to experience quality of life by living in a clean environment the waste is inherently transform to renewable energy either Biogas or Bio-gasoline at every point of waste generation.

The operation is apparently digitalized, and apply reduced the cost of energy to a paltry to what everyone can afford in which people and each society are free from any form of waste pollution by disposing the waste electronically.

The optional balance is created that will enable each society to experience better quality of life by overcoming climate change to dynamic-global Sustainable relatives to 17 sustainable development goals towards COP 21 Agenda of United Nations

Community Service:

Prominal role as a member of CDA , 1004 Housing Estate, Orita, Ilaro.

EXTRA-CURRICULAR ACTIVITIES

- i. Poem and Songs Writing
- ii. Landscaping development

REFRESS:

1. ARC. T. FOWADE (FORMER RECTOR)

Moshood Abiola Polytechnic,

P.M.B. 2210, Abeokuta.

2. ARC. A.A ALABI (FORMER HOD ARCHITECTURE)

The Polytechnic, Ibadan, P.M.B. 5063

Ibadan, Oyo State.

3. ARC. OLUIMIDE OSIKOYA
