Ref. No.: AD/DR/A/11/VOL. XXII/228

Date: January 19, 2023

CLOSURE OF 2022/2023 STUDENTS' REGISTRATION

Please be reminded that **the deadline** for all students' registration and payment of School fees is **January 31, 2023**.

You are therefore informed that the decision of the Management to close the Portal for registration on **January 31, 2023** remains unchanged. To this end, all students (new and returning students) are mandated to complete their registration and print their students' I. D. Cards to gain access to the Polytechnic and lecture halls.

Accordingly, the returning students (ND II and HND II) who failed to pay their school fees and complete registration within the stipulated time will not be able to access their results for the second semester 2021/2022 Academic Session.
