Pre-Examination System Check

The examination is conducted in a **proctored environment**. Before the examination begins, a few system checks will be performed to verify that your device, browser, and internet connection meet the required examination standards.

Please ensure that all checks are successfully completed before proceeding.

System Readiness Checks

Fullscreen Capability

The browser must support fullscreen mode to provide a secure examination environment.

Status: ✓ Passed

Internet Connection

A stable internet connection is required throughout the examination. Ensure that a reliable connection is maintained for the duration of the examination.

Status: ✓ Passed

Camera

Camera access is required to verify the candidate's presence during the examination.

Status: ✓ Passed

Face Detection

Ensure that the face remains clearly visible and properly positioned within the camera frame throughout the examination.

Status: ✓ Passed

Examination Readiness Confirmed

All required system checks have been successfully completed. The examination may now begin.

Examination Instructions

Please read and understand the following instructions carefully before commencing the examination. These instructions are equally displayed on the examination portal.

1. Examination Timer

Once the examination begins, the timer cannot be paused. Answers are saved automatically as you progress.

2. Browser and Tab Restrictions

Do not refresh the page, close the browser, or switch to another browser tab. Any such action may result in termination of the examination session.

3. Prohibited Materials and Devices

The use of mobile phones, smartwatches, or any other unauthorized materials is strictly prohibited during the examination.

4. Submission of Examination

Select **Submit Examination** after completing the examination. If the examination is not submitted manually, the system will submit it automatically when the allocated examination time expires. Once submitted, answers cannot be changed or modified.

Important Notice

Ensure that you understand these instructions before proceeding. The system warns you on any form of examination violations and malpractice before the automatic termination of the examination session. Be warned.

A link named “**Online Screening Exams**” (as shown below) is provided on the School website (<https://federalpolyilaro.edu.ng>) and will be activated **on the various scheduled days and times**.

NOTE

1. **You can only access the examination based on your allotted times and dates**
2. **This is the first stage of the Admission Process**
3. **Other Processes will be announced immediately after the pronouncement of Federal Ministry of Education and NBTE directives.**
